## Bob Harris, CAE

Bob Harris brings 25+ years of experience in working with a wide variety of non-profit organizations, including the area of healthcare. As the principal of Harris Management Group, Inc. – Bob’s educational presentations are widely regarded to be interactive, focused on core knowledge and organizational & governance excellence.

He utilizes case studies and best practice analysis for board orientation, training, and strategic planning. From testimonials that have been issued – “Straight to the point, Bob hits all the key areas, awakens volunteer boards with reality, and illustrates them how things should be properly done. No silly role play, no bonding kum ba yah... he is straight forward and all business – just like leaders want it!”
